Northern Lights International School was founded in 2015 as a state-funded and non-profit school which is located in Skådalen. The school has a very convenient location which is next to the Skådalen T-bane station. Respect, Responsibility, Caring and Excellence are four core values which constitute the general educational philosophy of the school. The school aims to have independent learners in its multicultural environment. The medium language at school is English.

The school has been adding new grades each year, therefore, 4 years later it will be covering 10th grades' students. In the current school year (2017/2018) grades from 1 to 7 is available.

The school implements the International Baccalaureate (IB) Primary Years Program (PYP) and Middle Years Program (MYP). NLIS is currently registered as a PYP and MYP candidate school working to become a fully authorized IB world school within 2017.

Mission Statement

Our mission is to provide a high quality education, bringing up inquisitive and knowledgeable, productive learners who are motivated to succeed.

In addition, we aim to nurture internationally minded compassionate young people with intercultural understanding and respect who strive to create a better and more peaceful world.

The objective is to provide the students with the academic and social skills that will help them reach their full potential, enabling them to be open-minded individuals who are able to think critically, and are encouraged to challenge norms and tackle change.

School Hours

Monday & Tuesday : 08:50 - 14:45
Wednesday & Thursday : 08:50 - 15:30
Friday : 08:50 - 12:30

1. The school also provides After School Care Program (ASCP) after and before each school day.
2. After school, the students may attend optional club activities.
